3M Summer Internship - PR/Communications

Currently STUDYING and would like hands on experience over your summer break? An internship with 3M is a great option for you to advance your career within your chosen field.

3M is a large blue chip organisation renowned for its innovative products and leadership position in a diverse range of markets. 3M now seeks a PR/ Communications Intern to join our organisation. The successful intern will gain a great understanding of the industry as they get the opportunity to work as part of a team on a wide range of projects.

The type of projects/work includes but not limited to:
- Writing and disseminating product editorials to relevant trade media in AU and NZ
- Assisting with project launches
- Reviewing links and content on websites
- Research methodologies and market analysis through to compilation of database
- Event planning & coordination

Although experience is not required, there are a few basic requirements:
- Strong writing and communication skills
- Quick learner who likes a challenge
- Motivated with a ‘can do’ attitude

Benefits to the student
- Gain true workplace experience
- Conveniently located near train station
- Onsite parking
- Working for a top 50 brand (3M)
- Flexible work schedule (upon discussion with project supervisor)

Location
3M Head Office is located in North Ryde, NSW

This is a rewarding experience and each day is varied, different and challenging.

Application process:

Please send a cover letter and your resume/cv to Cindy Ngo, 3M HR Division: cngo@mmm.com
